

Hunted (Marchwood Vampire Series Book 3)

A spellbinding vampire adventure that spans the centuries from modern-day England to the wilds of ancient Scythia. Be swept away in this heart-pounding tale of ancient legends, star-crossed love and nail-biting supernatural adventure. Maddy and Alex are running scared. The Cappadocian vampires are closing in. But Alex is so busy worrying about the vampires, he can't see the terrible threat right under his nose. Something else is hunting Alexandre. Something ancient and powerful. Don't miss the climatic finale of the bestselling Marchwood Vampire Series!
