

Crossing Borders

Two dudes walk into a bookstore Tristan knows he's got issues. His latest ex-girlfriend knows it too. He can't blame her for dumping him even though she gets her brother to do it for her. Since he can't stop staring at said brother's package, he figures it's about time to put a label on those issues. He likes guys. He heads to a local bookstore with what he's sure is a foolproof plan to find someone to show him what he's been missing. But who should crash his little adventure? Officer Michael Truax, who gave him a really expensive ticket back in high school for skateboarding without a helmet. Michael has been trying to catch Tristan for years...to give him a second ticket. Suddenly faced with Sparky, all grown up and looking to get laid, Michael's protective instinct kicks in and presents him with an opportunity that's hard to resist. After all, the kid must know what he's getting into, so why not? But when a man with a plan connects with a man with a hunger, the result is nothing short of explosive. This book has been previously published. Warning: Contains high-octane hair, a clawfoot bathtub, and a story that will make you believe in love at first sight. Okay, second sight, but whose counting?

Introducing the Anthropology of Migration. Crossing Borders covers the core theories and key case studies students will need to make sense of the complex Crossing Borders: A Multidisciplinary Journal of Undergraduate Scholarship (ISSN 2373-0978) seeks to encourage research among undergraduate students at Crossing Borders is an exchange programme designed for tomorrow's professionals in social work, education and health care. They often work on cases where On an annual basis Crossing Borders runs 10-15 international projects, always under a Human Rights based approach. The implementation of these projects Together with the European Documentary Network, we have been running the Crossing Borders programme since 2010. Crossing Borders is a programme for Crossing Borders. We provide international research grants for authors, filmmakers and photographers who address current social issues and seek to examine Taking the statement We change the world for the better as its motto, Crossing Borders is focused on making a sustainable contribution in less fortunate Crossing Borders is a publication that provides specific information to Canadian guidance counsellors assisting students as they navigate their way through the Crossing Borders has 4389 ratings and 404 reviews.
