

# Natures Spirit Messages

Natures Spirit Messages is full of rich and entertaining stories and lessons about vision, self-mastery and spirituality through the authors life experiences and those of others. Rose Anne uses the powerful symbolism of her encounters with twelve animals to help her fully experience, struggle with, and come through important challenges in her life. Many readers will resonate with the books vivid stories, which are sometimes painful and sometimes wonder-filled. The book shows how animals we meet in Nature are a wonderful way to connect with messages from the invisible world and our inner true Self. After reading Natures Spirit Messages readers will be able to interpret their own unexpected visits from animal friends bearing guidance from Spirit. Transformation exercises at the end of each chapter will stimulate the reader to reflect on their own experiences and deepen their understanding.
