

Spoke Of Love (Truly Yours Digital Editions Book 712)

The death of her husband forced Garnet Wheelock to become a mail-order bride. The torturous ship voyage was eclipsed only by the cruelty of her master in the New World of Virginia. But the Lords hand was upon her, and she has been bought by a new master and given a home. A widower of four years, Samuel Walsh longs for a womens touch upon his home and family. The Widow Wheelock seems perfect for the task - shes industrious and loving, and the children adore her. Hes vowed never to marry again, but when news of her pregnancy spawns accusations of impropriety, Sam weds Garnet to preserve his honor. Could their feelings run deeper than mere obligation? Can the Lord weave two broken lives together and create a future stronger than the past that haunts them?
