

Scarlet Beginnings

We must be willing to get rid of the life we've planned, so as to have the life that is waiting for us. The old skin has to be shed before the new one can come. - Joseph Campbell

Scarlet Lemay always thought her wedding day would be the happiest day of her life. However, that was before she found herself at the end of the aisle looking toward her future and unable to take that final step forward. Second thoughts cause Scarlet to run, seeking a new beginning. Unfortunately, her ex-fiance may just have other plans. A chance encounter with a stunning stranger causes Scarlet to question herself. The charming real estate agent, Ethan Williams begins to taunt her thoughts and dreams. Scarlet knows it's too soon to start dating again but something about this man keeps calling her to him. With the encouragement of friends, Scarlet begins to build a new life, yet her past keeps coming back. Will she be able to let Ethan in or will her fear cause her to lose out on a chance at finding her true soul mate?
