

In Sleeping Beautys Bed: Erotic Fairy Tales

A traditional source of sexual titillation for adult readers, fairy tales historically featured licentious themes before being cleaned up for the consumption of children in modern times. Seasoned erotica author Mitzi Szereto restores the explicit sex in the 15 tales in this provocative book and adds a few surprises of her own. Here the bawdy humor of French fable meets the sublime eroticism of ancient Chinese myth as a far from virginal damsel weds a Prince Charming with a shoe fetish; Little Red Riding Hood discovers Grandmas bed is open to any stray wolf; and a Japanese monk stumbles onto an S/M scene behind a forbidden door. Each tale is prefaced by a brief introduction telling its history and the sexual culture in which it was originally composed.
