

## Death: An Alternate Lifestyle

Everybody has a theory about the struggling of life. But nobody has an iron-clad theory about what happens after death. This book is primarily aimed at people that don't believe in any religion or in a Supreme Being. We worry about eternity when we face the reality that we're getting old. In the conscious and the unconscious mind many of our inner fears don't let us dwell upon this subject. The literature in this book is based on old cultures, myths, and facts that are passed on from people who are an authority on death, because they are dead. God has been scribbled on cave walls and civilizations known to be older than the pyramids. Is there a Supreme Being out there? The primary reason for this book is to give some sort of consolation to the people that don't believe in anything.
