

It all Started with a Lima Bean (Intertwined Hearts) (Volume 1)

To let go, forgiveness is necessary. Even if the one that needs it is yourself. As a teacher in her hometown of Santa Barbara, California, Abby Sullivan finally feels like she has something to offer. She has a purpose, a wonderful best friend, and a supportive mother. Abby is very talented at many things, especially hiding the pain of her past. That is until her world collides with Caleb Hunters. With an ever-present ache in his chest, Caleb is living life day to day, grieving the loss of his wife. As a successful writer, he's thankful that his schedule doesn't require him to get out much. But when his five-year-old daughter, Madison walks into Abby's kindergarten class at the beginning of the year, everything will change. With a little matchmaking magic from Caleb's loving mother-in-law, things will be set into motion, love will grow, and hearts will heal as they intertwine. But when those past pains come to light, will Abby be able to forgive? And will Caleb be able to let go?
