

In Your Dreams (The Falling Series Book 4)

Casey Coffield has a growing list of personal flaws he keeps locked away in his head: Hes never on time. His list of IOUs to his best friend is endless. Money is always short. Goals are never in reach. Oh, and hes decided to add college drop-out to that list, too. He doesnt really think that last ones such a bad thing, but his family insists it is, so it stays on the list. On paper, hes a zero. But in person, when hes mixing tracks for a sea of bodies at the hottest clubs and parties, hes downright irresistible. Just-right stubble on his chin, body of a boxer and a smirk that stimulates all the right nerveswomen have never been a problem. They flock to his swagger and fall for his charmfast. All except for this one. Purple hair, gray eyes, a raspy voice and sass, Murphy Sullivan is a little bit country and a little bit rock-n-roll. And her and Casey? They have history. He cant remember it, but she wrote a song about himand its not exactly a love song. But it is good. Damn good. And uncovering her inspiration just might be the key to solving a few of his shortcomingsnot to mention open doors to his own big break in the music industry. But sometimes dreams get messy when they collide. Sometimes life changes patterns. A past paints the wrong picture and futures get cloudy. The only question that remains is who will you choose when the dust settlesyou? Or the girl of your dreams? ** This book is a Falling Series spin-off. It can be read as a standalone. **
