

SARAH: My best friend is a manwhore—and he’s not afraid to let everyone know that he spends more nights out of his bed than it it. He likes his reputation. I’ve always secretly hoped for more, but I’ve never wanted to be part of the revolving door of his women. I’ve watched them all come and go. Someone is after him, and even though he didnt kill the dead girl in his bed, hes in jail. He owes Ben a favor after Ben bails him out of jail, so he sets me up with his billionaire best friend. Ben is tall. Cute. Safe. When he proposes after only one night together, I run the hell away. Straight into the arms of my best friend. Torn between the two men, I have no idea who I’ll choose. And theres still a killer on the loose. Note: This story has steamy scenes and blood.
