

Adam Harkness pulled himself out of poverty to become one of the worlds most respected Finance professors, but at the cost of his personal life. When a well-meaning friend gifts him with a dance course, Adam decides to attend one class out of courtesy, but no more than that. He has work to do, after all - or at least, thats what he tells himself. After being bullied in high school, Julie Stanton took refuge in her studies. But now that her hard work has paid off and Julie has found success in her job, its time to focus on finding the same happiness in the rest of her life. When Adam walks into the same tango class that Julie signed up for, she recognizes him immediately as the professor whom she had a crush on in college. Both Adam and Julie have proven themselves to be excellent scholars. But when the attraction between them turns into something more, will they be able to open their hearts and learn a new lesson - how to love. Each book in the Stanton Family series is a standalone, full-length novella that can be enjoyed out of order.
