

This early work by William Morris was originally published in 1899 and we are now republishing it with a brand new introductory biography. William Morris was born in London, England in 1834. Arguably best known as a textile designer, he founded a design partnership which deeply influenced the decoration of churches and homes during the early 20th century. However, he is also considered an important Romantic writer and pioneer of the modern fantasy genre, being a direct influence on authors such as J. R. R. Tolkien. As well as fiction, Morris penned poetry and essays. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The World Within: You Are The Story Of Humanity, It all Started with a Lima Bean (Intertwined Hearts) (Volume 1), Her Mind Games: A Dark and Erotic Paranormal Romance (Volume 2), Emmanuels Book III: What Is an Angel Doing Here?, The Retreat, Book of God, An Unexpected Joy: An Amish Christmas Gift Novella, Claimed by the Bear (Palm Haven Shifters Book 2), La ultima leccion (Spanish Edition),

The Story of the glittering plain which has been also called the land of living men was set up towards the end of Morriss life, in 1891 in Hammersmith, London.
