

Long Way Home: A Mangrove Island novel (Volume 1)

Tyler Barnes can't believe his eyes when Alexis MacAdams walks back into his life. His high school crush left Mangrove Island seventeen years ago and never looked back. He's held on to the memory of her, even though she never gave him a second glance. Now Alexis is back for the holidays and Tyler is determined to make a lasting impression before she slips away again. He soon learns, however, that her broken heart needs to heal before he has a chance to win it. Can Tyler convince her to risk her heart for a second time?
