

In Love With A Billionaire Michelle is still trying to wrap her head around the fact that her dorky high school boyfriend is now a billionaire business mogul. They had been in love at one point, but Michelle, determined to get out of Miami and away from her parents own train wreck of a marriage, had let her disappointment with her parents interfere with the future Levi had wanted with her. Now over a decade later, Levi was back in her life, as her boss. Determined to not admit the mistake she made all those years ago, she resists his attempts to start over. But Michelle finds that when you truly love someone, there is no starting over: Levi always had her heart, now she just needs to decide if shell surrender to his love or let the bitterness of their past failed relationship stop her from finding her own happily ever after.
