(Contemporary Romance, HEA) Childhood friends, Sam, Rachel, and Roy, were inseparable-three lost souls who protected each other. When Sams father threatened their futures, Rachel did what she had to do in order to protect them all. She left. Ten years later, Rachel Williams retreats to the quiet of the Colorado mountains. She needs isolation from the outside world to heal from a brutal date attack.~Sam McCoy has had it with socially elite women-especially his ex-fiancee. He needs to go back to the mountains and create a home, complete with a baby or two. When Rachel is injured, Sam is there to take care of her. He loves the way she defies him, makes him laugh, and makes him need. A future with her would be filled with love and babies.~Angelic dreams help Sam and Rachel know theyre fated to be together, despite the interference of others. It will be up to Roy and his wife Paulette to help nudge fate along.
