

Through the Storm (The Montclair Brothers Book 2)

The Montclair Brothers have been shaken to their core. The carefree life theyd grown accustomed to has been torn away; the destructive force behind the collapse of their world, unimaginable. Can they pick up the pieces? Is it possible to weather the storm after the fire and shooting in Castle Lake? As bullets sped through the night air, bodies began to drop, one by one. Who lived? Who succumbed to the darkness? Robert was the monster with the gun, but hed gone down with the victims; or did he live, and become the perfect hunter?
