

## Team Bride: A Christian Romance (Riverbend Romance Book 4)

An Autumn Romance The characters from Secretly Yours, Pinky Promise, and Sweet Serenade are back in this Christian romance novella! Sarah Jamieson has avoided weddings since a traumatic stint as a flower girl, but reluctantly agrees to stand up for her best friend. Only why does the best man have to be one of those confident, life-of-the-party types? Even worse, why does the bride make her promise to go on one date with the guy? Easy enough to agree, because she'll make sure he never asks. Corbin Morrissey takes his responsibilities for Team Groom very seriously, but coaxing smiles out of the maid-of-honor is harder and more addictive than he expected. To his surprise, she agrees to go out. There really isn't any way a date to the Fall Fair could go amiss. Is there? Can Corbin convince Sarah she's ready to settle down and make her the head of her own Team Bride, or will their past keep getting in the way? Welcome to Riverbend! 1. Secretly Yours 2. EXCERPT What's holding him back, you think? asked Lindsey. It wasn't him. It was her. Are you kidding me? We barely know each other, and besides, we're so different. I don't see how this can last. Sarah? I can't read your face. Do you like Corbin, or don't you? I'm confused. I do like him, but he's so different from me. He's an act now, think later kind of guy. And

you think everything. To. The. Death. Sarah glared at Lindsey. Whose side are you on, anyway? Yours, girl. Definitely yours. I think Corbin is a great balance for you. And yes, you for him. Its okay to have different personalities. God made us all unique. Corbin was about the most unique person she knew. Its possible to be too different. Lindsey tilted her head. True, but sharing the same faith in Jesus provides a solid foundation. A good start, sure. But there are a lot more things. How you prioritize spending. How you raise kids Whoa! You guys have talked about kids? Youre way more serious than I thought after only two weeks. Warmth crept up Sarahs cheeks. No, we havent. Im just thinking ahead. Lindsey laughed. Thats your problem.
