

Study Guide for Microeconomics: Canada in the Global Environment, Eighth Edition

The Study Guide for Microeconomics by Mark Rush of the University of Florida is carefully coordinated with the text, MyEconLab, and the Test Banks. Each chapter of the Study Guide contains: * Key concepts * Helpful hints * True/false/uncertain questions * Multiple-choice questions * Short-answer questions * Common questions or misconceptions that the student explains as if he or she were the teacher. Each part allows students to test their cumulative understanding with questions that go across chapters and work a sample midterm examination. Students can purchase the Study Guide from our online catalog, or from MyPearsonStore.
