

## A Lovers Secret

Jess Madigan has moved back to her parents home, ashamed, alone, and in heaps of debt after abandoning medical school. Tormented by her own sense of failure, Jess is desperate to regain some form of inner spark. That's when she encounters an old flame, now a devastatingly handsome and internationally successful author and adventurer. Jake Lassiter is smoldering hot, impulsive, and fun in the deepest sense of the word. With him, girl-next-door Jess devours life, savors its fruits, and surrenders to a primal force infinitely more powerful than she. Yet, even as Jake lifts her to dizzying heights, Jess knows there's something he isn't telling her. And it is a secret with the power to entwine them forever - or to rip them irrevocably apart. A scintillating and deeply emotional journey, *A Lover's Secret* will stay with readers long after the final page has turned.
