Even the best laid plans aren't immune to disaster... Rob Christopher is the Physical Therapist that is helping Katie Lou get back to walking, and falling in love with her as he does so. But who is this guy, and why is he so attracted to Katie Lou? Come along as we explore his life, and watch how, at only thirteen, he was himself crippled in an auto accident that took his parents from him, and left him as the man of the family. Rob's story is inspiring, uplifting, and at times, heartbreaking, but it will show you just why he is so determined to help people, including Katie Lou--and why fate has brought them together at last.
