

## Nashville Crazy (Naughty in Nashville) (Volume 5)

When Harper Perrys latest Hollywood debacle blows up the internet, the fallen starlet returns home to Nashville and the man she left behind. She needs someone to make her Tennessee home livable--someone who will be discreet while she lays low and lets all the negative press blow over. Former lover Dan Ryan is just the handy man for the job. With her personal life being primetime tabloid fodder, her career on the skids, and her concert tour facing cancellation, Harper has a lot to figure out. The last thing she needs is the irresistibly sexy handyman working his way back into her life and her bed. Dan Ryan has never forgotten the girl who left town the second he confessed his feelings for her ran deeper than the sizzling hot hours they spent burning up the sheets. And with half a dozen women on speed dial, hes tried! But once he sees Harper again, he knows why no other woman has ever touched his heart--he gave it away to Harper years earlier. Now that shes back in town, however briefly, Dan is determined not to let Harper get away a second time...even if he has to give up everything hes worked for to keep her.
