

Never Too Late (Mills & Boon Vintage Intrigue) (Silhouette Intimate Moments)

For all their obvious differences, medical resident Kate Spencer and recently freed-through-wrongly-imprisoned Hunter Bradshaw had one big thing in common: both of them had holes in their past they were sure could never be fixed. So when Kate, nee Charlotte McKinnon, announced her plan to take a road trip to try to find clues to her real identity, ex-cop Hunter offered to go along for the ride. For protection, of course. But there's where their trip took an unexpected turn. For Kate, who'd loved Hunter from afar for years, found no answers, only more questions. And Hunter, with Kate by his side, saw that even though yesterday might be murky, today was dawning clear and bright.
