[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Stephan Analdo likes to watch the world go by from his front porch. At seven hundred years old, he is a male cougar shifter who is set in his ways. He is a loner, who fights for what he believes in and leaves if he doesn't like something. When his mate moves in next door, his world is totally rocked on its axis. Todd Jacobs is delighted to be able to buy the only place that felt like home, of the many childhood houses he has lived in. Imagine his surprise after spending the day working in his new yard, a one-hundred-fifty-pound cougar knocks him to the floor. See what happens when a cougar shifter finally finds his human mate and the mate keeps wanting to talk. See what happens when a human is mated to a crabby cougar shifter and he won't explain anything about the shifter world. ** A Siren Erotic Romance
