

His Reluctant Bodyguard (Adventure Cruise Line Book 2)

The last person cruise director Avery Knox expected to see aboard her very first trip out on Valiant is former college football star, Rip Pollendene. A decade ago, she had turned down his advances at the University of Miami and lived to regret her decision. Why is she so reluctant to take the second chance shes been handed? Rip Pollendene is the heir apparent to a beautiful island nation. But its a heritage Rip has ignored and rejected for twenty years. Now his homeland is on the brink of a bloody civil war with outside forces trying to manipulate the outcome. Is that why someone wants him dead? How much should Rip sacrifice for a country he hardly knows? And is it sheer coincidence that has thrown golden girl Avery Knox back into his life? Can they stay alive long enough to find out if their love really is meant to be? His Reluctant Bodyguard is the second book in the Adventure Cruise Line series.
