

Storm Song (Perilous Safety Series Book 2)

American Rayne Evans is on the verge of making it big in Europe's competitive symphonic metal music scene, when a deranged fan attacks her band at their biggest concert. She's forced to hide while she heals in the only safe place: Storm Lake, California, where no one would know to look. But the picturesque lake holds Rayne's deepest secret, and a different kind of danger from a man she thought she'd never see again. If she's not careful, she could lose her band, her career, and her life. Ben Conner made his choice years ago, and it had not been to chase after Rayne Evans. It took years, but he's recovered from her betrayal. Now she comes to him for help and he can't turn her away. But helping her could tear holes in the life he's built for a young boy and for himself. _____ Storm Song - Winner of the American Christian Fiction Writers 2010 Genesis Contest in Suspense.
