

Cornered

Hot, sexy, funny novella. Leslie is a petite, cute redhead with dozens of humorous opinions. Her boyfriend broke up with her, and her job as a receptionist bores her witless. When she sees a dark, handsome hunk waiting for the bus, she's too shy to slow her yellow Beetle and offer him a ride, but she sure wants to. Then he comes looking for her and turns her fantasy life into steamy overdrive. Etienne has a seductive French accent and magical touch, but Leslie's dream lover is a different man each time they meet. She wonders if she's become part of his fantasy, but what he's offering is a reality beyond her wildest dreams.
