

Rampant (Condemned Series Book 2)

Life is twisted. Cruel. After being ripped from the safe haven of Rafe's arms, my new kidnapper is waging a sick game. Unable to make my body do his bidding, he's resorting to psychological warfare. He'll bend my mind until I break, and when I do, that just might be my saving grace. I'll forge through hell to get back to Rafe, body and spirit broken and bleeding, but I'm unprepared for what I find. He's done what I can't: he's erased eight years of pain and betrayal. I don't know how to bring him back to me, because bringing him back means ripping him to shreds all over again.
