

Lanterns and Lace (Texas Legacy Book 2)

Best-selling author, DiAnn Mills, has created a compelling, historical romance set in Texas during the late 1800s. In this second book of the Texas Legacy series, heroine Jenny Martin believes the one thing that will guarantee her happiness is to remove her deceased sisters daughter from the home of Dr. Grant Andrews. But she is caught off-guard when she discovers the doctor is single and attractive. Grant is resolute in his desire to keep his adopted Rebecca in his care. Will another mans interest in Jenny and the issue of Rebeccas custody keep him from pursuing what could be the love of his life? Love flowers as devious plots thicken. Then when danger stalks Jenny and those around her, she wonders if she is doing more harm than good by staying in Kahlerville.
