

Stuck on You (Unscripted Love Series Book 2)

If being forced to team up with reality TV's favorite bad girl wasn't enough, falling for her brother might just make this reality show a real nightmare. Paige Anderson agrees to be on a new reality show called Treasure Trekkers, a show where contestants use handheld GPS units to find hidden caches filled with prizes, with her good friend Cassidy. But when Cassidy is unable to compete, Chip Cormack, the show's producer, steps in with a last-minute replacement to be Paige's partner - Zoe Oliver, reality TV's favorite bad girl. Jack Miles (aka Miles) is a mountain climber with the body to prove it. Miles convinced his climbing partner Ben to come on the show with him for one reason - to prove to Ben that they can still hike together, regardless of the fact that Ben lost his foot in a tragic accident. Miles isn't about to let anything get in his way of winning - not even beautiful Paige. But when Miles and Paige are thrown into an alliance with their teammates, working closely together leads to more than just good strategy. Can Paige steal Miles' heart while surviving Zoe long enough to win the game? This is a new release of a previously published edition.
