

Dreams of the Wolf [The Gray Pack 4] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, werewolves, HEA] Katie-Jo (KJ) Whetstone is on a mission to save her mother's life and protect the Quiver Creek pack from Nicolas Kaplan, a deranged werewolf. She has already journeyed across the country from Wyoming to Missouri to find brothers that she never knew, and now she must lead them back against their own reservations. She's shocked when her libido goes haywire over the only human traveling with them, Dr. Thomas Jameson. Fighting to keep her distance from the mating lust, KJ and Thomas both end up needing to be rescued. Bryson Samuels is an enemy wolf that makes her body sing as loudly as Thomas does. With strangers for mates, she fights the need to bond, with her desire to be free from the pack. In the end they will all have to decide if they are willing to do anything to protect each other. ** A Siren Erotic Romance
