

Cheap Airline Tickets: Learn How to Find Super Cheap Travel Deals and Fly like a Pro (Cheap Flights & Travel for Free)

My book will teach you everything you need to know to find those cheapest flights and airline tickets, and super travel deals. No b*****, just pure information you need to get yourself into a field of travel hacking right now. No more expensive flights! The book Cheap Airline Tickets consists of the introduction of buying airline tickets the usual way, full list of well-known services, but also those you've probably never heard of. Services which will fight on your side in a battle for the best travel deals. We will talk about when to fly when to buy, and which seats to choose. You can also expect a full list of the best travel websites with the best deals in the world and recipe how to create your own flights using exotic methods (error tickets) and much much more. The book will not bore you with useless stuff you already know and is spiced with few funny stories from the airline industry. I know few people who worked for airlines. Stories which really happened and are great to read. Book consists information about: Buying last minute tickets Buying flights usual way in present How to do online searches the best way All about low-cost airlines Flight experts and brokers Which day buy the ticket and best day to fly Travel Deals in the US and around the world Where do the deals come from How to get personalized deals to your phone Introduction to Fuel Dumping How to use ITA Matrix How to find super cheap tickets by yourself And some info about the secret society Introductions to mileage programs with useful links Some nontraditional ways to get cheap airline tickets I put my few years of cheap traveling into this book with a hope it will help many people to fulfill their travel desires so they can experience life without paying more than is necessary, and sometimes travel completely for free.
