CAN BE READ AS A STAND-ALONE NOVEL Selina McKenzie used to be a nice girl, so what caused her to become a raging banshee on a mission to destroy all men? Well...not all, just those caught with their trousers down, so to speak, in places where they shouldn't be. Forces beyond her control are taking over her, making her do unspeakable things. Unfortunately the wicked spells she casts are also coming back at her threefold and she's now shadowed by one sexy but very angry angel who isn't impressed with her antics. Can she dodge the bullets long enough to find out who or what is behind it all? And can she convince Raguel she isn't the wicked witch he thinks she is?
