

Shattered Alliance (Juxtapose City 7)

Team against team, psypath against psypath...there are no such thing as allies in Juxtapose City. Now that the terrible truth is out, life has only grown more complicated. Genesis has full control over the men of JC2, forcing them to commit atrocities across the city and destroying Blacks reputation in the process. Even if Black succeeds in rescuing his teammates, the JCPD and Captain Dickerson may not be forgiving. Meanwhile, anti-telepath sentiment in Juxtapose City is on the rise, spearheaded by a man from Blacks dark past who wants all telepaths dead. Black and Calyx find themselves in a unique and unenviable position: on the run from both fellow psypaths and the police. The only way to survive is to go on the offensive. Together they must do their own manhunt and bring down Genesis and the mysterious man who saved him seven years ago. An edgy, sexy m/m romance.
