

Soul Signs: Life Seals, Aura Charts, and the Revelation

[Note: This book has been republished as EDGAR CAYCE ON SOUL SYMBOLISM.] Edgar Cayce recommended three tools for personal spiritual growth for everyone: life seals, aura charts, and the book of Revelation. A life seal is an artistic depiction of symbols that can assist us in remembering our talents or present purposes. An aura chart utilizes symbols to help us come to terms with our strengths and weaknesses, our highest aspirations, our talents, and our abilities. The book of Revelation, and the symbols therein, portray the internal struggles that occur within each of us as spiritual development takes place. Readers will discover how to create and use these tools of symbolism to accomplish their mission in life, to overcome weaknesses, and to enhance soul memory. Includes a comprehensive Cayce dictionary, interpreting hundreds of symbols for easy reference.
