

Success Through a Positive Mental Attitude

Your mind has a secret invisible talisman. On one side is emblazoned the letters PMA (positive mental attitude) and on the other the letters NMA (negative mental attitude). A positive attitude will naturally attract the good and the beautiful. The negative attitude will rob you of all that makes life worth living. Your success, health, happiness, and wealth depend on how you make up your mind! When motivational pioneer Napoleon Hill and millionaire CEO W. Clement Stone teamed up to form one of the most remarkable partnerships of all time, the result was *Success Through a Positive Mental Attitude*, the phenomenon that proposed to the world that with the right attitude, anyone can achieve his or her dreams. Now this remarkable book is available for the twenty-first century. You, too, can take advantage of the program that has brought success to generations of people seeking -- and finding -- a better way to live.
