More about Tall, Dark and Kilted-Notting Hill Meets Monarch of the Glen Fliss Bagshawe longs for a passport out of Pimlico where she works as a holistic therapist. After attending a party in Notting Hill she loses her job; when she's offered the chance to take over a failing therapy centre, she grabs it with both hands. But there's a catch - the centre lies five hundred miles away - in Wester Ross, Scotland. Fliss's romantic view of the highlands populated by hunky Men in Kilts is shattered when she has an up close and very personal encounter with the Laird of Kinloch Mara, Ruairi Urquhart. He's determined to pull the plug on the business, bring his eccentric family to heel and eject undesirables from his estate - starting with Fliss. Faced with the dole queue once more, Fliss resolves to make sexy, infuriating Ruairi revise his unflattering opinion of her, turn the therapy centre around and sort out the dysfunctional Urquharts. Can Fliss tame the Monarch of the Glen and find the happiness she deserves?
