

Been In Love Before: A Novel

The Macgregor brothers Robert, Eian, and Ryan are all recently widowed and forced to live together in Ryan's beach house in sunny Florida. To get them to reengage with the world, Ryan's daughter, Mary Kate, signs them up for dance lessons and insists that each find a partner in time for her wedding. Robert, the eldest of the brothers, rediscovers an old friend who brings the spark back to his life. Eian, a former professional baseball player, takes another swing at love with the widow of his best friend. Ryan, the doctor in the family, hopes his beautiful new dance instructor can put the spring back in his step. But Mary Kate's fiancé is a member of the rival Campbell clan, and as the wedding approaches, joyful anticipation turns into a heated family rivalry. Together the Macgregor brothers will dance their way through first-date jitters and plenty of wrong moves as they try to save the wedding and restart their lives.
