

The Beginning (The Two Moons of Rehnor, Books 1 - 3)

Now in one box set! Three complete novels from The Two Moons of Rehnor series, including The Boy who Lit up the Sky, My Enemys Son and Of Blood and Angels. Embark on an epic fantasy adventure of galactic proportions! Escaping the nuclear destruction they had caused on the mother planet Rozari, the Mishnese and Karupatani both chose to resettle on the same planet and continue their fighting. Thus the planet Rehnor has been plagued by wars for more than 1,000 years. The wars will come to an end when the Karupta Crown Prince is wed to the Mishnese Princess Royal, removing both from the throne, and creating instead an heir to both kingdoms and the entire planet. Unfortunately, the princess dies in childbirth and the infant prince is secreted away by the Mishnese, hidden from his father s family in decrepit inner city orphanage. But, the boy is not a normal child for he has telekinetic and telepathic powers, strange silver eyes and an astonishing, other-worldly beauty. He is, in fact, the MaKennah, the savior whose birth was foretold in the writings of his ancestors more than ten centuries ago. This three volume set follows Senya, from the streets of Old Mishnah, to the forests of Karupatani, and eventually to the Mother Planet Rozari where he attempts to live a somewhat normal life surrounded by amazingly ordinary people until Rehnor and his kingdom call him home.
