...an incredible literary work that weaves together Scripture, Biblical truth, and the story of Gods amazing love... The spiritual and physical realms of the universe collide in a surprising, climactic ending that will leave the reader spellbound and cheering for more...The Book of Life: The Greatest Story Ever Told delivers a unique spin on the forgotten story of the Bible. Its a novel based on the words of scripture, told from the perspective of the Archangel Michael. Verses from the Bible become the dialogue and narrative of the story as Michael lifts the veil for the reader and reveals everything he has witnessed through the ages, from the beginning when Lucifer rebelled and the spiritual war began, to a modern day world where Michael wages war against the forces of evil and fights for Gods plan of redemption. In this book, Michael reveals the great mystery of Gods love and the power of His story as he breathes life into a tale that can only be described as, truly, the greatest story ever told.
