

# The Encyclopedia of the Harley Davidson

This illustrated encyclopedia is packed with interesting facts and follows the history of the famous Harley Davidson company and the development of its famous bikes, which have earned a special place in the hearts of enthusiasts everywhere. The bikes are described in detail, not only in mechanical terms, but also with glorious photographs, and will be of interest to everyone who loves motorbikes: even aficionados of Japanese and European bikes, who have never even ridden a Harley Davidson, will be able to recognize the unique marriage of style and nostalgia and the fact that there are no other bikes quite like them. With chapters that are biographical, like The Buell Story, and The Harley-Davidson Story, readers will get the inside story on this epic brand of motorcycle. Other chapters, like A-Z of Harley-Davidson, Year on Year, and Guide to Model Names, enthusiasts will get a fully-functional, comprehensive encyclopedia of everything they ever wanted to know about Harleys.
