

Once Upon a Dare

A sexy category romance from Entangled's Brazen imprint...The first night was a dare. The second night was trouble...Advertising guru Olivia Masterson is all work and no play. But on the eve of earning her dream promotion, her best friend dares her to drop her ice queen facade for one night and seduce a sexy stranger. Olivia worked her ass off to get where she is--why the hell not? Cole Bennett never thought he'd run into his feisty one-night stand at the office, furious that he stole her promotion. No matter how hard she tries to ice him out, they can't seem to keep their hands to themselves...or their clothes on. Olivia is talented--maybe even more than Cole--so when he dropped hints to the boss net her a promotion of her own, he's ready to celebrate...until she accuses him of fueling office rumors that she slept her way to the top. She wants to earn her own way? Fine. So what the hell does a guy have to do to permanently melt an ice queen? Each book in the Risky Business series is a standalone, full-length story that can be enjoyed out of order.
