

Intrigue, suspicion, and rivalry among the royal princes casts a shadow on the court of Owain, king of north Wales...The year is 1143 and King Owain seeks to unite his daughter in marriage with an allied king. But when the groom is murdered on the way to his wedding, the brides brother tasks his two best detectives--Gareth, a knight, and Gwen, the daughter of the court bard--with bringing the killer to justice. And once blame for the murder falls on Gareth himself, Gwen must continue her search for the truth alone, finding unlikely allies in foreign lands, and ultimately uncovering a conspiracy that will shake the political foundations of Wales. The Good Knight is the first Gareth & Gwen Medieval Mystery.
