

## The Royal Affair (The Palmera Royals)

Shes on his turf, but shes not giving up the reins that easily. The Palmera Royals, Book 2 All her life, Princess Marina Palmera toed the family line until she fell for Jonas Wilder. Their whirlwind affair broke her heart when he left without a word. Devastated, Marina defied convention to build her love of horses into a thriving international business. But now the bloodstock auction has brought her to New Zealand. The turf of the one man she doesnt want to see. Jonas was once under Marinas exquisite spell, until a single phone call brought him back to brutal reality. While he dallied with the princess, a car crash killed his ex-wife and robbed his little daughter of her voice. Blaming himself, he has vowed that nothing will ever again distract him from caring for his child. But when a chance meeting and the childs love of all things princess draws her from her silence, Jonas will make any sacrifice to keep her words flowing. Question is, can he keep Marina in his life for his daughters sake and keep his heart from tearing down the walls between them? Warning: Contains a brassed-off princess, and a sexy Kiwi horse breeder. And a wild helicopter ride that leads to a hot night in the wilds of the New Zealand bush.
