

If time heals all wounds, then Aria Darwin's clock has stopped. No amount of magic elixir can repair a broken heart. In the aftermath of untruths and tainted love, Aria is unsure if she will ever recover to see the light of her destiny. Now living in the enchanted city of Draiochta, along with her two best friends, Aria struggles to find her place in the Kingdom. A plan must be set to ensure the safety of her people, but how can they believe in her if she can't believe in herself. With the assistance of her Guard Keeper, Clay, she slowly develops her powers, but will she be strong enough to destroy her enemy? Will she ever remember what was once ignited in her soul, and the real question is will she run or will she fight?
