

One sister is living the dream... Cameron has found the perfect guy in handsome, successful Kyle. Hes supportive, kind, just all around wonderful. Unfortunately, the higher the pedestal, the harder the fall. While the other is waking up from what could have been a nightmare... Unforgivable actions force Jai to move on from her admittedly stagnant relationship with Elliott...right into the arms of her best friend. Was love standing right in her face all along, or is she still looking in the wrong direction? Hearts are broken and healed. Scars, both physical and emotional are formed. Happiness is found, then lost, then found again. Over the course of a year, these sisters face shattering blows and remarkable triumphs as they embark on a journey, figuring out that pesky little thing called love.
