

Keeper of the Night (Mills & Boon Nocturne)

There's no business like bloodlust. New Keeper Rhiannon Gryffald has her peacekeeping duties cut out for her because in Hollywood, it's hard to tell the actors from the werewolves, bloodsuckers and shape-shifters. When Rhiannon hears about a string of murders that bear all the hallmarks of a vampire serial killer, she must confront her greatest challenge yet. Together with detective Brodie McKay, she heads to Laurel Canyon, the epicentre of the danger, where they uncover a plot that may forever alter the face of human-paranormal relations.
