

True Pretenses

Never steal a heart unless you can afford to lose your own. Through sheer force of will, Ash Cohen raised himself and his younger brother from the London slums to become the best of confidence men. Hes heartbroken to learn Rafe wants out of the life, but determined to grant his brother his wish. It seems simple: find a lonely, wealthy woman. If he can get her to fall in love with Rafe, his brother will be set. Theres just one problem--Ash cant take his eyes off her. Heiress Lydia Reeve is immediately drawn to the kind, unassuming stranger who asks to tour her familys portrait gallery. And if she married, she could use the money from her dowry for her philanthropic schemes. The attraction seems mutual and oh so serendipitous--until she realizes Ash is determined to matchmake for his younger brother. When Lydias passionate kiss puts Rafes future at risk, Ash is forced to reveal a terrible family secret. Rafe disappears, and Lydia asks Ash to marry her instead. Leaving Ash to wonder--did he choose the perfect woman for his brother, or for himself? Warning: Contains secrets and pies. Books in the Lively St. Lemeston series: 1. Sweet Disorder 2. True Pretenses
