

Double...or Nothing Zara Sutcliffe had always been the bad-girl twin, the darker half of her double, Emma. But one six-foot-four-inch so-called FBI agent had her quaking in her high heels the moment he engaged her with his amber eyes, gripped her with his massive hands. He said his name was Logan Pierce and that he would protect her...but then he spirited her away to a safe house and held her captive. Zaras latest business deal had now endangered her family, put her in jeopardy from a madman...and in close proximity with the all-too-sexy Logan. Worse, when Logan held her tenderly, Zara couldnt help but wonder who posed the most danger—the killer or her bodyguard. DOUBLE DARE
