This is a New Adult Paranormal and Science Fiction Parody based on #1 Bestselling series Excerpts: Edward, Star Vampire: One of the Trade Federation tanks targeted the Queens group, and moved towards them. Theres the Queen, get her, snapped the Trade Federation tank commander. Run, your highness, said the Nabisco General Panache seeing the tank veering towards them. Queen Alldolla tried to pick up her heavy velvet skirts and run. The tank sped up and gave chase. In moments it was almost upon the Queens entourage. The general and advisors scattered. The Queen tripped on her skirt. The tank bore down on her. It was only a few feet away. Stop! You could hit the Nabisco Queen. We are ordered to capture, not kill, said the tank commander to the driver. Sorry commander, said the driver. We cant stop quickly. Get back! yelled Edward. Just before the tank would have hit the Queen, Edward leaped in front of her. Shoving his arm out, he stopped the vehicle with one hand, crumpling in the tanks side. Alldolla gasped, staring in disbelief at Edward, and at the damage he had done to the metal side of the tank. Excerpt: The Jetti Council and Manikin Stywalker You cannot fear and be a Jetti knight, said Yodama. Fear leads to hate, hate leads to suffering, suffering leads to founding a new religion, which leads to fame and fortune as a TV evangelist, which leads to embarrassment in the press as they reveal your naughty, secret sex life. Sounds good to me, said Manikin. Id like a naughty, secret sex life. Hmmm. Come Jetti Council members, said Yodama

gesturing. The Jetti council huddled together to decide Manikins fate. After a few moments of hushed discussion, they came to the conclusion that they too would like a naughty, secret sex life and that Manikin fit right in. Train him, you will, Obegone, said Yodama. But if he turns out to be an evil Jetti, that makes a Death Star and wipes out a planet, well blame you. Excerpt: Spocko, Vampire Vullcan of the Vulcanturi: Welcome Spocko to the Temple of Pure Logic, said TPow. Our ancestors cast out their animal passions on this very soil. Spocko looked down, and imagined an orgy of writhing, naked, Vullcan bodies. No, no, I mean gave up passionate emotions, said TPow shaking her head. Her telepathy evidently was working well and she was reading Spockos mind. The men always make that mistake. TPow eyed Spocko evilly as one last image of a Vullcan orgy crossed his mind. No I dont look like that naked, said TPow, and Im not that flexible. The Vullcan priests smirked, and then quickly changed to an emotionless expression as TPow glared at them. By casting out emotions, they saved our race from ourselves, continued TPow. They attained the ultimate of pure logic and the ecstasy of pure logic. Spocko, you have achieved much over the years and proven yourself exceptional. You have cleansed yourself of dirty emotions. You have proven yourself worthy to join us. Come. Receive the symbolic necklace of Pure Logic. Excerpt: Vampires Anonymous: Were here for you, said William. Lets close the Vampire Anonymous meeting, then meet at the spaceport to plan our strategy to find your daughter. Please, everyone stand and say the serenity prayer. The circle of vampires stood and held hands. They chanted together. Universe, grant me the serenity to not bite somebodys head off, even if they deserve it, except to protect ourselves and others from harm, and the wisdom to know the difference.
