

Prognosis: A Baby? Maybe (Mills & Boon American Romance)

One Night Was All It Took for Dr. Jason Carmichael to believe that Heather Rourke had given birth to his baby. After all, there were the rumors that she had taken off from work for two months for personal reasons, right around the time she would have gone into labor. And then there was that adorable infant he had seen when he had stopped by her apartment conveniently unannounced. But why would Heather keep him in the dark when all this once die-hard bachelor could think about was baby booties and toothless grins? He had no clear memory of the night of passion they had shared fifteen months earlier. Was this child his or was Heather hiding a deeper secret?
